Education

BS in Cybersecurity & BS in Computer Science

Worcester Polytechnic Institute, Worcester, MA

Class of 2028

GPA: 3.7

Relevant Coursework: Operating Systems, Computer Networks, Intro. to Security, Databases, Software Engineering, Object Oriented Design, Systems Programming Concepts, Intro. to Electrical & Computer Engineering

Achievements: Dean's List, Charles O. Thompson Scholar

Technical Profile

Languages: Python, Javascript, Java, C, C++, C#, Racket, HTML/CSS, LaTeX, SQL,

Other: Wireshark, Nmap, VirtualBox, Burp, GitHub, Flask, Docker, Unity, Microsoft Office Suite, Figma

Security Training & Projects

Project Management Software

November 2025 - December 2025

CS 3733 - Software Engineering

- Built a Flask/Python web application with a small team over a ~5-week sprint using Agile methodology
- Implemented email-based account verification using one-time codes sent during signup to prevent spam and unauthorized account creation
- Team hashed stored passwords and added authorization checks to verify page ownership before granting access, preventing unauthorized data exposure
- Designed and implemented role-based access control for distinct 'Professor' and 'Student' user roles, limiting each role to only appropriate permissions

TryHackMe Rooms

January 2026- March 2026

CS 340X - Introduction to Security

- Completed 25+ rooms covering fundamentals in networking (TCP/IP, DNS, HTTP, Nmap enumeration), Linux system administration, and cryptography (hashing, public-key cryptography)
- Practiced basic web application vulnerability analysis including IDOR, authentication bypass, content discovery, and session management attacks
- Completed the 'Linux Privilege Escalation' and 'Password Attacks' rooms (medium/hard difficulty) under guidance
- Completed an introductory module in digital forensics and incident response

Employment

Theatre Technician Internship

September 2023 - May 2024

Union County Academy for Performing Arts

- Assisted in the setup and operation of stage equipment to support the creative vision of the production
- Collaborated with production staff to meet creative and technical needs
- Gained hands-on professional experience with industry-standard tools and safety protocols

Freelance Illustrator

2023 - Present

- Communicated closely and negotiated with client to design and illustrate art for a prototype tabletop game while under tight deadlines
- Created multiple pieces with a variety of design styles based on clients' needs, ensuring quality and satisfaction

Front Desk Receptionist

June 2025 - August 2025

Affinity Care of NJ

- Served as first point of contact for clients, directing them to appropriate staff and resources
- Maintained accuracy of client and employee records in the company database

Additional Experience

Student Music Association Secretary + PR Coordinator

March 2025 - Present

- Helped coordinate event logistics between members and executives
- Manage social media and communication channels contributing to the club's growth into one of the fastest-growing organizations on campus, demonstrating initiative and public relations skills

Art & Design Club Vice President + Treasurer

January 2026 - Present

- Responsible for managing club finances, deadline tracking, and cross-club communications, demonstrating leadership, time management skills, and accountability

Languages

English (Native), Mandarin (Conversational)
